

The Angie King White Memorial Scholarship for Clements High School Students

The **Angie King White Memorial Scholarship** was established after her death on February 4, 2013, and is endowed with funds donated by those whose lives she touched in some way. Angie was the daughter of Andy Baugh King and Janice Black King, wife of Ronnie White, and mother of Austin King White and Cole Brennen White. She graduated from Clements High School in 1984 and subsequently received a B.A. Degree from Athens State College and M.Ed. Degree from Alabama A&M University. However, her life is measured by her service to others more so than by her professional accomplishments. She recognized that demonstrated academic achievement is important, but the potential contribution one will make to society is not determined solely based on that achievement. She believed that the potential of one's impact on society is more directly determined by their commitment to serving Jesus Christ and their fellow human beings.

The Angie King White Memorial Scholarship is established with the following two (2) objectives:

1. Memorialize Angie King White because of the service she contributed to Clements High School, Seven Mile Post Road Church, and the surrounding communities.
2. Honor a student who demonstrates a similar commitment to serving their school, their church, and their community and who wishes to extend their education beyond high school.

The scholarship funds are being managed by The Foundation of Limestone County. Anyone wishing to make tax-deductible donations can do so by sending a check to the following address:

The Foundation of Limestone County
ATTN: Angie King White Memorial Scholarship
419 S. Marion St.
Athens, AL 35611

Award: A one-time award that will be distributed via check from The Foundation of Limestone County paid to the college, university, or technical school that the recipient plans to attend. Candidates: Seniors of Clements High School who are enrolled in a college, university, or technical school.

Scholarship Sponsors: Ronnie White and Andy King

Selection Criteria:

1. The candidate shall be a senior at Clements High School in good standing with their teachers and the administration.
2. The candidate shall be a Christian who is active in their youth group or the ministries of their local Christian congregation.
3. The candidate shall have demonstrated and documented significant service to their school, church, and/or community.
4. Because academic achievement is necessary to be academically successful beyond high school, the candidate should have a minimum grade point average (GPA) of 3.0. However, it is recognized that the potential value of a student's contribution to their community is not defined solely by their GPA. Therefore, candidates who have demonstrated substantial service to their school, church, or community shall be eligible for the award.

The application submission date is no later than **March 31** of each year. The Scholarship Committee and a member of the White/KIng will meet and select the recipient. That recipient will be announced on Senior Awards Day.
